

Shaun,

Before you came into my life I stopped praying for what I wanted in a mate,
Instead, I prayed for what God wanted for me.

Little did I know that I would find everything I ever hoped for and more.

In you I have found...

someone to laugh with

someone to confide in

someone to believe in

someone to trust

In you I have found a true friend...someone that I can grow with and truly love.

You challenge me to be a better person physically, mentally and spiritually.

I am so inspired by your discipline and strength in body, mind and soul.

You have a passion for life and the people that you love.

You have a joyful heart like no other.

Above everything else you have a passion for God.

In *The Spirit of Happiness*, spiritual love is not about looking at each other,
but about looking together in the direction of God.

In you I have found, my spiritual mate.

It is only by God that I know we will succeed.

With you I can transform doubt into certainty;

ambivalence into commitment;

discouragement into hopefulness

and skepticism into TOTAL faith.

I am certain that God brought you into my life,

and everyday He shows me one more reason why.

I am already so proud of the man that you are,

yet you still strive to be a better man everyday.

A friend of mine said to me, "Marriage is a chance to grow in love with someone else."

I am overwhelmed with joy at the chance to grow with you.

I have no fear of our future together because of the faith
that we have in God and in each other.

I want to run with you towards every goal and face every challenge without fear...
in the direction of God

I promise you complete love, trust, loyalty and RESPECT.

I will do no less.

I promise to keep God close to my heart...

for me, for us and for our family.

I will do no less.
