

Making Memories Of Us

By Keith Urban

I'm gonna be here for you baby
And I'll be a man of my own word
Speak the language in a voice that you have never heard
I wanna sleep with you forever
And I wanna die in your arms
In a cabin by a meadow where the wild bees swarm

(Chorus:)

And I'm gonna love you like nobody loves you
And I'll earn your trust making memories of us

I wanna honor your mother
And I wanna learn from your paw
I wanna steal your attention like a bad outlaw
And I wanna stand out in a crowd for you
A man among men
I wanna make your world better than it's ever been

Chorus

We'll follow the rainbow
Wherever the four winds blow
And there'll be a new day
Comin' your way
I'm gonna be here for you from now on
This you know somehow
You've been stretched to the limits but it's alright now

And I'm gonna make you this promise
If there's life after this
I'm gonna be there to meet you with a warm, wet kiss
Yes I am

And I'm gonna love you like nobody loves you
And I'll earn your trust makin' memories of us
Ohhh
And I'm gonna love you like nobody loves you baby
And I'll win your trust makin memories of us
Mmmmm
Ohhhhhhhh Oh Baby Mmmmmmm
